All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire ; filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

- 4.—No person will be allowed to act as Judge who is in any way interested in the stock to be examined.
- 5.—Should there be only one exhibit in a class or section the Judges can use their own discretion as to awarding a premium, and in all cases where they do not think the animal worthy, they can withhold the premium. Judges shall in no case award a prize unless they consider the exhibit actually worthy of such prize.
- 6.—Judges are expected, in the execution of their duties, to be careful to act with the most rigid impartiality.
- 7.—No animal or bird exhibited shall have about it any prize colors or cards, until the awards have been made in their respective classes.
- 8.—All prize cards which have been affixed by the Judges must be displayed during the Exhibition. Any infraction of this rule will ensure the forfeiture of any premium awarded.
- 9.—Any person not authorized to do so, conversing, or otherwise interfering with the Judges while on duty, will forfeit any right he may have for a prize, and it shall be the duty of the Judges to report to the secretary, on handing in the books, any infringement of this rule.

10.—Upon the discovery of any fraud, deception or dishonest practice, or misrepresentation in regard to any stock exhibit, which may have influenced, or may have been intended to influence the decision of the Judges, the Executive Committee have the power to withhold the payment of the prize awarded.

11.—Any exhibitor lodging a protest must make it in writing, and it must be delivered to the President or Secretary within three hours of the cause of protest.
